Jupiter Police Department Command Staff

Chief's Message

I would like to begin by wishing you a happy and prosperous new year. I would also like to thank you for all of your support in 2009. Through the partnership between the community and the police, Jupiter remains a very safe place to live. We continue to achieve the Town Council's vision for a safe and secure community.

I would like to take this opportunity to personally thank the more than one hundred police volunteers as well as our partners who commit their personal time to the Jupiter Police Department. Their dedication provides additional support for us in the areas of administrative duties, fleet management, emergency preparedness and CERT On Patrol. Through this team problem solving approach we continue to be successful in our crime fighting initiatives, maintaining safe and secure neighborhoods throughout our town.

As always, I would like to remind you that we can't do it alone, we need your help. Remember to lock it, report suspicious activities and get involved in our community. I specifically ask that each of you lock your doors, keep valuables out of plain sight and report suspicious activities to the Jupiter Police Department. Our continued success depends on you. Please remember to consistently secure your valuables and encourage your neighbors and friends to do the same.

I look forward to seeing you around town.

Sincerely,

Frank J. Kitzerow
